In Memory of Hal Yates

Hal Yates was most often referred to as "Mr. History" of Brea Olinda. He "lived" the subject each day of the 25 years he served as a teacher. The history of Hal Yates began in March of 1924 in the city of Brea. Hal attended Brea schools and graduated in June 1942, the top student in a class of 46. Following his education at Whittier College, Hal began his teaching career at his alma mater. He taught many subjects including history, and was for many years the advisor to the Gusher Staff. He originated and led many eventful Highway History trips. Through his 25 years, thousands of students laughed at and enjoyed his jokes and funny stories. Many groaned when assigned flag notebooks or Civil War maps, or were drilled on the importance of knowing all the U.S. presidents in chronological order. All of this, in the Hal Yates's style, is lost to future Brea students. But for the student of the past, history will always be remembered.

1. Mr. Hal Yates at age 7 standing in front of Brea-Olinda High School.
2. Always ready to explain historical events in detail, Hal Yates presented his ideas well.
3. In 1924 Hal Yates graduated from Brea-Olinda as the top student in his class of 46.

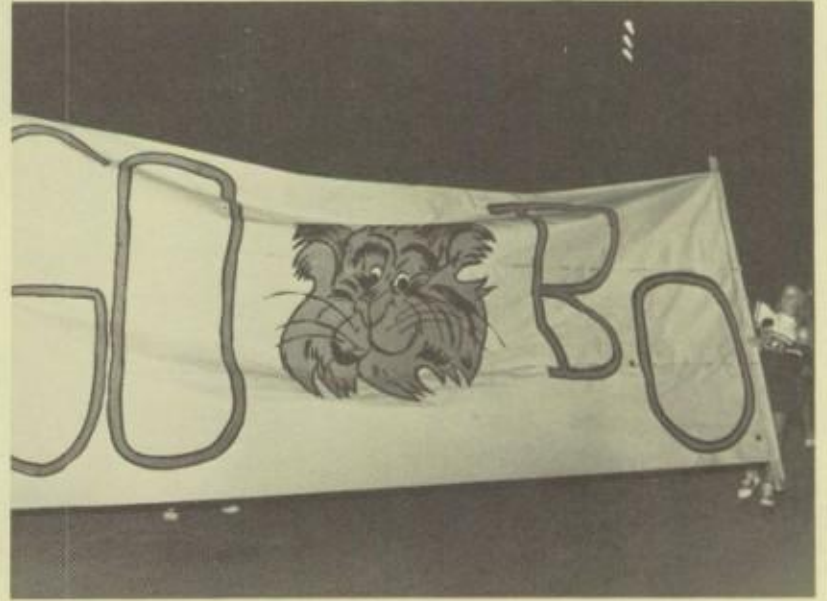

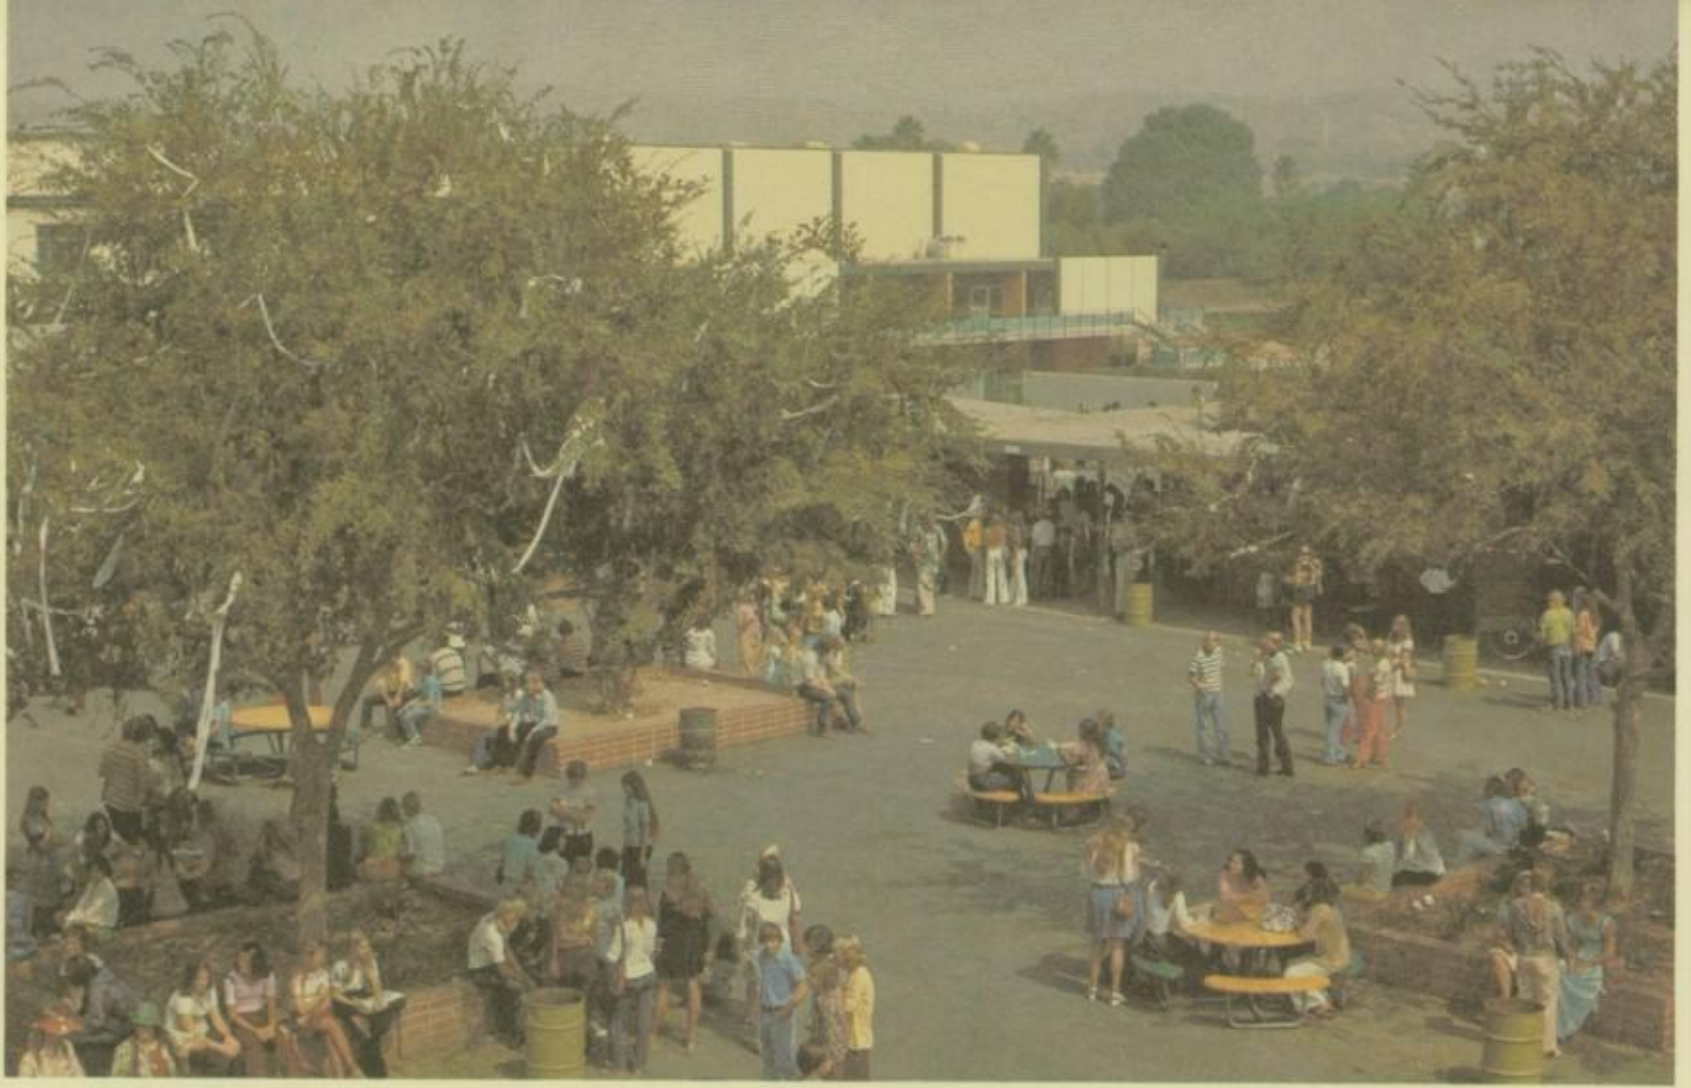

London -
Too bad I didn't see you much this year, too bad you're
younger than me, but that's the breaks. Love, Doyne

'75...A Year of Expansion

Once a sleepy oil town, Brea is waking up to a new environment. A modern commercial shopping center is now under construction on the undeveloped field across Birch Street. Mental changes are also affecting Brea Olinda. Creativity in all forms is being displayed on campus. Murals have been painted on walls, doors, and tables. Many organizations have been renovated to involve current student interests. The changes of our city and school are just the beginning of Brea's expansion.

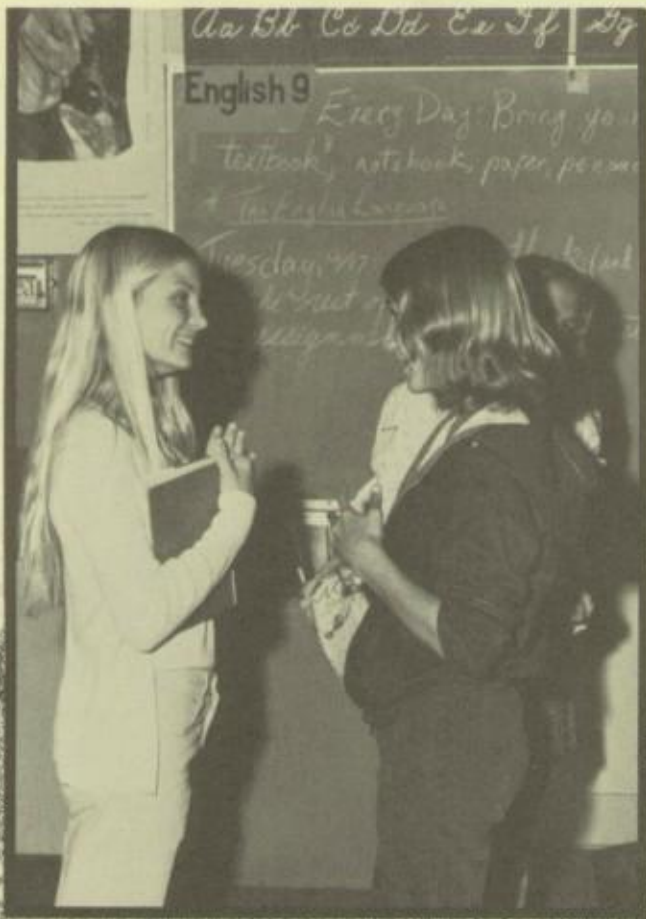

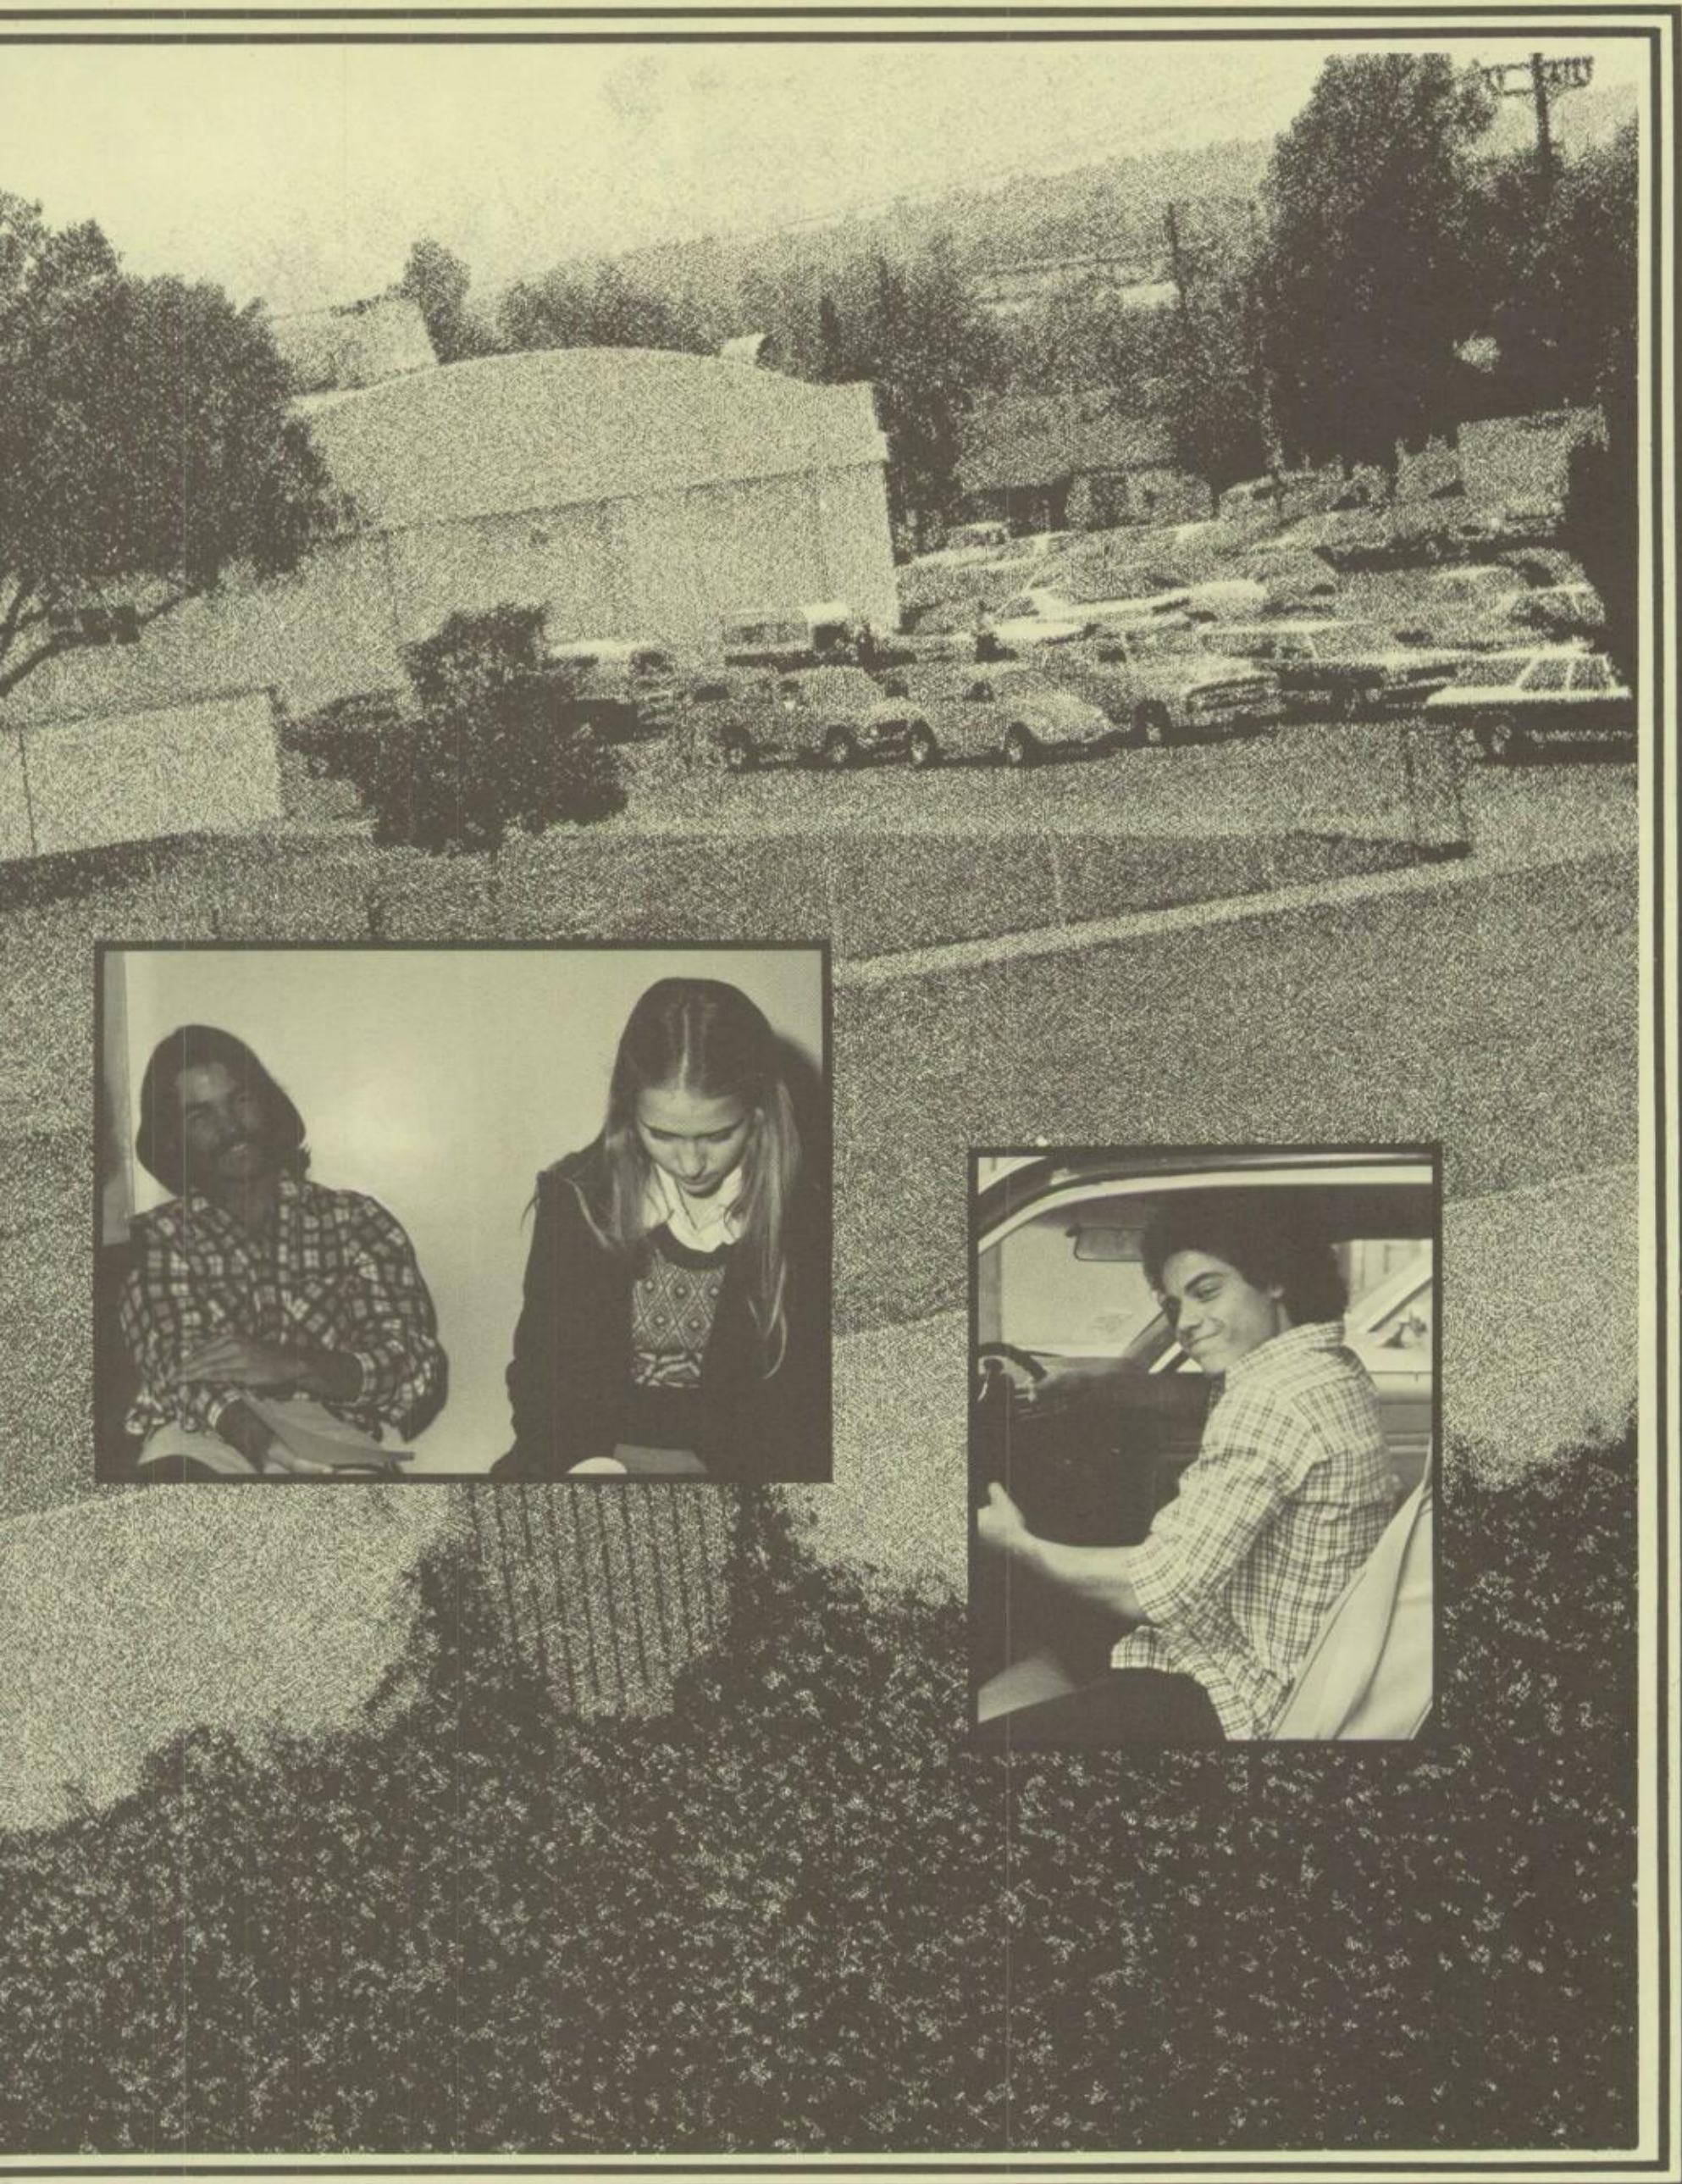

1. The new Brea Regional Shopping Center is scheduled to open in August of 1976.
2. With the record enrollment of teachers as well as students, the senior parking lot is now shared with the faculty.
3. Just another one of our standing room only assemblies.
4. Joi Ellingson adds a touch of class to the second floor of the main building.
5. Brightening up the atmosphere, Desire Gonzales and Barbara McDermott help visitors find the library.
6. Studying's harder when you have to settle for a seat in the hallway.
7. The widening of Birch Street is in the plans for the near future.
8. Craig Park was a welcomed new addition to Brea this year.
9. Due to the growing number of students, Brea-Olinda could only offer transportation to those living 2 miles or further away from the school.
10. The rumble of tractors was a constant reminder of the changes which were taking place.

Senior Class

Speaking for the senior class, I'm honored to tell of its ventures. Seniors showed enthusiasm at pep assemblies. Despite the low value of newspaper, senior rowdiness was at a peak during the paper drive. The class took full advantage of their days off, while underclassmen slaved away at school. We can't forget the senior breakfast which everyone enjoyed. I know we'll never forget the excitement of commencement exercises and the All-Night-Party. We all agree our senior year has been memorable. I hope I see you before our twenty-fifth reunion in the year 2000.

The class of '76 was successful in their money-making projects. During the summer, the juniors operated the snack shack at Arovista Park and sponsored a very profitable car wash. The junior class continued to work hard throughout the school year. At varsity football games, it sold food items on the visitors' side of the stadium. The class won second place for their creative homecoming float. All these activities supported the presentation of a memorable Junior-Senior Prom scheduled for May 31, 1975 at Lion Country Safari.

Sophomores add spirit to a busy year

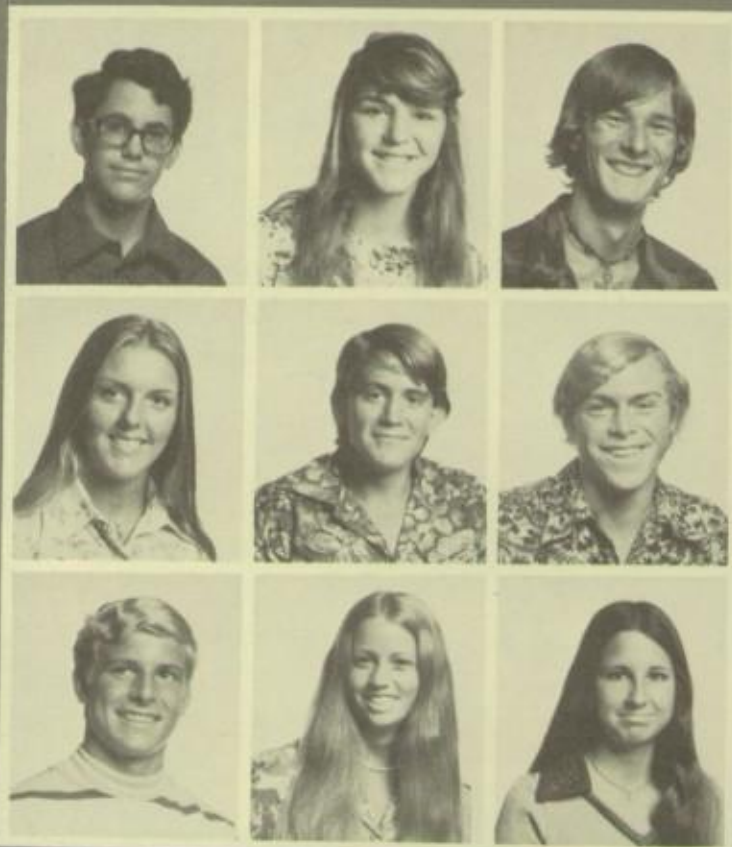

Class officers are Lisa Salovesh, Debbie Farris, Steve Jaromscak and Debbie Shamblin.

Mike Earl and Greg Betz help customers at the Pickle Sale.

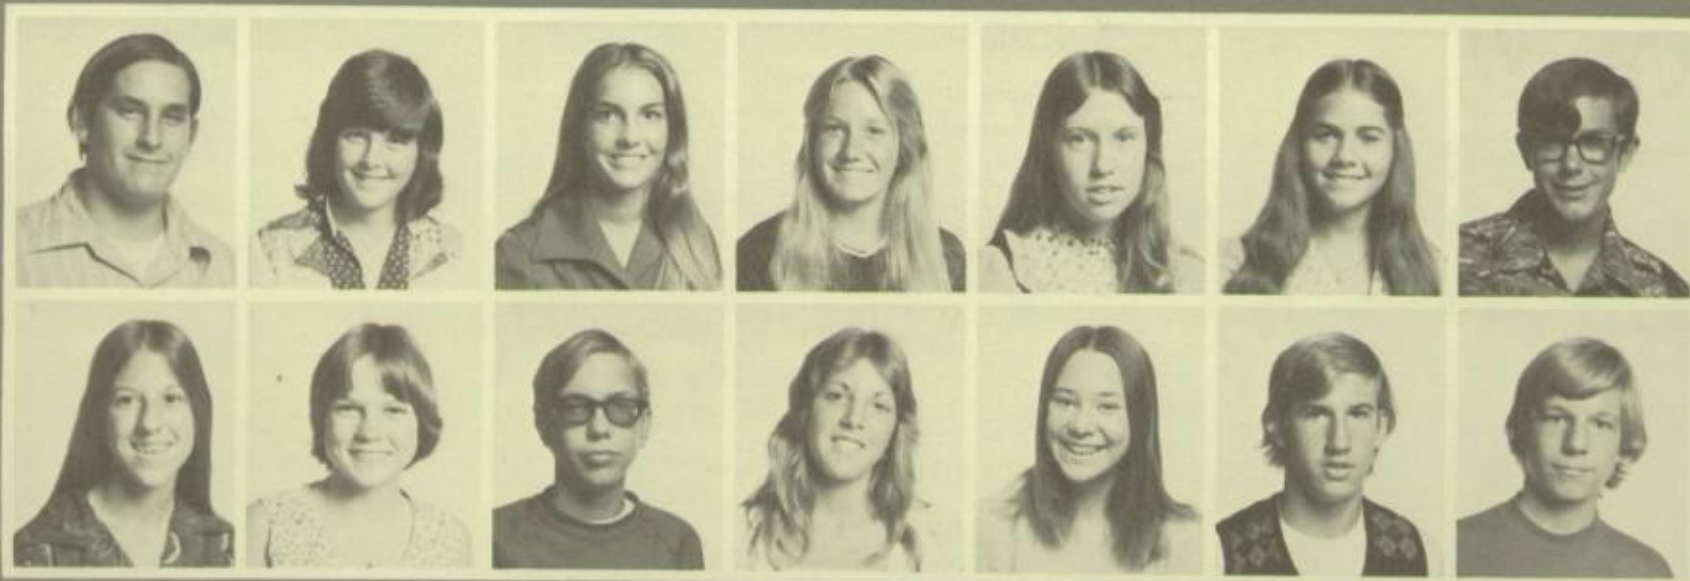

The sophomore class started the school year with excitement and energy. They sponsored many events in order to earn money for next year's Junior-Senior Prom. Led by class officers Debbie Shamblin, president; Steve Jaromscak, vice-president; Lisa Salovesh, secretary; and Debbie Farris, treasurer; the sophomores held a car wash, sponsored a dance, and organized a pickle sale. Ko Ann Tingley represented her class in Executive Council.

Freshmen make new friends and many memories

Having lost much of their nervousness due to orientation before the opening of school, the class of '78 entered Brea Olinda with many goals and lots of enthusiasm. Elected officers were President Cindy Zweber, Vice-President Claudia Ceresa, Secretary Denise Brown, Treasurer Kay Wolking, and Representative Bob Lane. After earning \$200 with a car wash, the class planned more moneymaking events. The freshman float won first place in the homecoming parade. Having been successful as ninth graders, the class of '78 looks forward to the years to come.

Landon, here, I've been that pretty busy this year. But I hope you get busy for Jesus if you know what I mean. If you don't know Jesus, get right with him before it's too late. Rev. 3:20

Homecoming

If you have anything really valuable to contribute to the world, it will come through the expression of your own personality, that single spark of divinity that sets you off and makes you different from every other living creature.
By Lord Chesterfield

Homecoming Week, organized by Girls' League, celebrated the 50th birthday of B.O. Activities included a present guessing contest, the Match Game, Carnation Day, and Song Dedication. Powder Puff

The annual battle between the juniors and the seniors was held April 4th, after two months of strenuous practice. Both teams feeling confident met face to face. Jill Nesbitt threw a touchdown pass to Pam Fyler, and Debby Rhine intercepted a pass and ran across the goal line making the score 14-0 at half-time, as Mike Lowe was crowned Powder Puff King. In the second half the senior defense held the juniors to only one first down, and Jill Nesbitt connected with Pam Fyler again. The seniors won 20-0, but more important it was a clean game, and fun for both the winners and losers.

Sandon, here you see the fantastic junior powder-puff team, it's been great knowing you, maybe someone will have another swim party. See you later, Sue.

Creativity in Dance

Modern dance is the expression of moods and emotions through the medium of dance. Under the direction of Mrs. Carol Finn, girls enrolled in dance classes exercised, choreographed original dances, and practiced their routines. Three outstanding dance groups were specially selected to perform at Cal State Fullerton along with other area high school groups. Production classes highlighted their year with the Modern Dance Concert on May 1 and 2.

Assemblies

Assemblies throughout the year were enjoyed by students and faculty. Executive Council presented "Hello People", a popular group specializing in singing and mime skits. The Walter Craig Company entertained the student body with songs, jokes, and impersonations. A special assembly honored Mr. Nedra Fox and Mr. Saylor Smith for their contributions to Brea. Girl's League assemblies included performances by the Orange County Ballet Company, Hi Jinx groups, and a self-defense demonstration.

A.S.B. Officers

Leading Brea-Olinda through a productive year were student body officers Eileen Kelley, president; Kelly McKenzie, vice-president; Barbara Hansen, secretary; and Lisa Hassing, treasurer. Working with the officers, Executive Council acted to improve student life. The group attended a leadership conference during the summer gaining new ideas and discussing mutual problems with other student councils. During the year, Executive Council presented entertaining assemblies and informative seminars, planned social events, and worked on many welfare projects. The group contributed much energy and enthusiasm to make the 1974-75 school year successful.

Girls' League

Contributing to the spirit of both students and school, Girls' League continued to be a vital part of the Brea-Olinda atmosphere during 1974-75. The cabinet of sixteen spent long hours planning, preparing, and finalizing projects. The girls were rewarded with extremely successful activities, including the Big-Little Sister Swim Party, Hello Day, and the Beach Party Hello Dance. This year's Homecoming celebrated the 50th birthday of Brea Olinda. Christmas services brightened up the holiday season for all. The Coed Week was filled with activities and climaxed by the formal, theme "Scarborough Fair." Ending an exciting year was the Mother-Daughter Social, a night of fun for all.

Janet and Anne Are Girls of the Year

Four times this year two girls were named Girl of the Month, so it was natural perhaps that two girls should share honors as 1975 Girl of the Year. Certainly, both Janet Inskeep and Anne Dobeck richly deserved the affection and esteem of the members of Girls' League and the faculty who voted them this recognition.

Janet gave outstanding service to Brea-Olinda students and her school, especially during her senior year. She was a resourceful and effective president of Girls' League this year and held GL cabinet positions the prior two years. She was also 1974-75 president of Brea-Olinda's California Scholastic Federation chapter.

During three years' participation in GAA she played on varsity tennis, badminton and volleyball teams, was on the GAA cabinet, and played Powderpuff football. In addition, Janet was copy editor of this Gusher, and she earned top scholastic honors, being elected to NHS.

Beyond the campus, she served in the interests of all California students this year as treasurer of California Association of Student Councils. Also, she worked on the 1975 WASC accreditation team, was active in her church, and was on Bullock's Teen Council.

For her exceptional talents and achievements and because

of the concern she has shown for others, Janet has strong support in her ambition to study medicine and become a pediatrician.

Anne's special area of interest is spotlighted by her four-year membership in Home Economics Club, but she too has given outstanding service to her fellow students and the school. She was Home Ec Club president this year and treasurer last. Active also in Girl's League, she was secretary this year and worked in important chairmanships as sophomore and junior. She was also a leader in Business Club activities, being secretary of the group last year, and she was in Fashion League.

An outstanding student, Anne was a member of National Honor Society, was secretary of the group this year, and was in CSF. She also served beyond the campus on the WASC accreditation team, and enjoyed work in her church.

In addition to being a Girl of the Year, Anne received special recognition as an Outstanding American High School Student, senior "Most likely to succeed," and DAR Citizen of the Year.

Interested in a career in social work, Anne has applied at CSU Chico to study social welfare, but she will "minor" in her other favorite, home economics.

Cheerleaders 1974-75

In 1932, Brea Olinda cheerleaders were few in number but mighty in spirit. This spirit has carried through to the 1974-75 squad. Working closely with advisor Boots Ott, the girls spent many summer mornings and school-day afternoons practicing. The cheerleaders gave surprises to athletes on days of their games. Organizing pep assemblies, the squad boosted spirit. Pep squad worked hard to keep members of the Wildcat teams happy.

Yell and Song

During the summer, varsity yell and song went to camp, bringing home many awards. Song was awarded a spirit jug for first place. Four songleaders had the thrill of witnessing a streaker during a routine. Varsity yell leaders learned new cheers during their summer session. The squad also placed high in competition.

Drill Team brought spirit to Brea Olinda throughout the year. The squad cheered at athletic contests, performed at football and basketball halftimes, and marched in the Yorba Linda, Placentia, and La Habra parades. Guiding the 1974-75 Drill Team was Captain Michelle Keiserman, along with Co-captains Leslie Schutz and Becki Winfrey. Other officers were Secretary Kitt Mayfield, Treasurer Terri Estrada, and Historian Mary Boka. Mrs. Joan Dawson and Miss Geri Koering served as advisors. Brea Olinda's majorettes, led by Captain Doreen Nelson, displayed their skills while performing with the Band and Drill Team. Added excitement was provided by solo majorette Cindy Pryor, whose twirling has earned her the title of Miss Majorette of California.

Instrumental Music Gave an Exciting Year

The Marching Band has become an active campus organization. Serving as leaders were Mr. Don Paul, Director; Eric Harrington, Drum Major; and Jeff Lloyd, President. Brea hosted the annual Band and Drill Team Jamboree, inviting area schools to share halftime entertainment. The Marching Band displayed musical spirit during pep assemblies, basketball and football games. Performances at the Christmas Concert, District Musical, and Spring Concert were outstanding. The String Ensemble replaced the orchestra of past years, adding musical variety.

Vocational Education

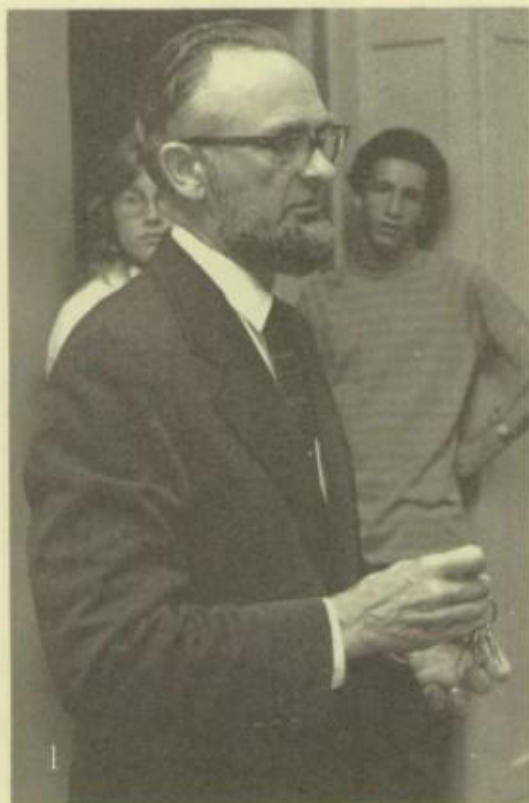

In 1925 few vocational classes were offered to the high school student. The past fifty years have brought an expanded curriculum to Brea Olinda. Today, classes in business skills, which include shorthand, notehand, typing, business machines, and computer programming are offered. The Home Economics Department features courses in cooking, sewing, merchandising, food and health services, and home management. Industrial Arts includes shop classes in wood, metal, auto, printing, and drafting. With the many interesting vocational classes offered, students may prepare for a future job and enjoy themselves at the same time.

The Gusher Staff

It took a special group of people and a lot of hard work to create Brea Olinda's 50th anniversary yearbook, the Golden Gusher. Endless time was spent designing creative layouts, writing interesting copy, and cropping each individual picture. The number of books ordered and size of each book were increased to meet the needs of our growing student body. Gusher staff members financed the yearbook by selling candy apples, soliciting ads and patronships, and careful budgeting. The 1975 staff consisted of Editor Carol Reese, Assistant Editor Barbara Hansen, Copy Editor Janet Inskeep, Business Manager Caren Reid, Artist Marty Lorigan, Photographers Judy Frost, Tim Carroll, Joan McCarthy, and Win Smith, and Sports Editor Larry Ouellette. Senior staff members were Gary Dix, Lisa Hassing, Stan Hymel, Janet Frost, Pam Fyler, and Frank McCarroll. Junior staff members included Sarah Brotherton, Jan Hymel, Kim Johnston, and Becky Winfrey.

Perspective Staff

Put twenty-one hardworking students, an advisor, and a typewriter or two in a closet, and what happens? They produce two publications monthly: the Perspective newsmagazine and the Wildcat newspaper. The Wildcat, printed on campus by Mr. Vern Kroeger, kept the student body informed of club news and school activities. The Perspective, taking a wider outlook, specialized in news-features, opinion, and sport stories. At the end of the first semester, Mr. Dave Brown replaced Mr. Saylor Smith as advisor. Adjusting quickly, the staff continued to publish exceptional editions of both the Perspective and Wildcat.

The Drama Club, composed of students involved in drama classes, worked hard to stage special assemblies and annual productions. California Scholarship Federation

Brea Olinda's chapter of the California Scholarship Federation is supported by its forty members who must maintain a high academic grade point average. Although the Wildcat football team lacked experience and size, they had desire. Using the combination of team unity and pride, and the kicking abilities of all-C.I.F. player Dave Donk, Brea compiled a respectable mark of 4-4-1. Dave tied the school record for most field goals in one game with three. He also had the second longest field goal in prep football of 50 yards. League changes gave the Wildcats four pre-season contests and five league games. Brea entered Orange League play with a 2-1-1 record, losing only to a determined Lowell team. In the team's two league victories, the 'Cats trounced Esperanza 36-6 and defeated Valencia 24-12. Many Wildcat points were due to the reliable kicking of Dave Donk and the valuable pass-receiving combination of Carl Bostick and John Lara. Hampered by mistakes and penalties, Brea fell to the C.I.F. bound El Dorado, Canyon, and Sonora teams. In the three contests, Brea's offense could only score two Donk field goals, while the opponents capitalized on crucial Wildcat mistakes.

After a rather disappointing start, the Wildcat sophomores rallied to their most successful season yet, finishing with a 5-4 overall record and taking second place in league with a 4-1 mark. The sophomores combined their individual talents with commitments to personal growth and team unity. Their efforts were rewarded as they won five of their last six games, their only loss coming at the hands of El Dorado, the league champion. The co-captains of this year's sophomore team were Cal Haney and Joe Martinez. The team was coached by Mr. Lynn Kennan and Mr. Jim McWilliam.

Freshmen Football

Practice, determination, and hard work are three principles needed to become a winner. Following these, the freshman team excelled in the 1974 season. With a fine 5-2-2 record and a 3-1-1 league mark, the frosh took second place in the Orange League. Only a loss to arch-rival Sonora in the final game of the season kept the Wildcats from winning their first league title in eight years. Tri-captains for the freshman team were Steve Selvig, Don Fretwell, and Greg Fisher. Four players noted by their coaches for outstanding efforts throughout the year were Frank Mueller, Sam Nichols, Richard Donk, and Frank Giffer. Mr. Jack Wigmore and Mr. Doug Bridgmen, two new coaches at Brea Olinda, did a fantastic job in guiding the team to its outstanding season.

Hard work and determination were keys to success of the varsity water polo team. The team participated in both the Villa Park and Lowell tournaments. The group was successful, capturing the Consolation Championships in each. The squad entered league play with high expectations of a good season. An opening win over Esperanza kept these hopes alive. The remaining league contests were disheartening as the team beat only Valencia while losing to the rest of the schools in hard-fought matches. Water polo's final league record was a disappointing 3-5. The frosh-soph team also had tough league competition, winning three out of eight games. Gaining valuable skill and experience this season, the water polo team looks forward to next year's competition.

Cross Country

The cross country team came alive this year with a well balanced team of depth. Coaches Gordon Bayes and Wayne Bridge led the team to fourth place in the Orange League. Mike Trapasso headed the varsity team which won six of eleven meets. Mike, along with Dave France, Mike Dubay, and Elvis Hubble were the top four scorers. The sophomores ended their season with eight wins and three losses. Bob Blanks, Brian Muma, Mike Julian, and Dave Meredith were the top sophomore runners, with Dave often running for the varsity team. The Wildcat freshman team was headed by Louie Marron, Craig Stevens, and Darren Dopson. The frosh finished the season winning six and losing five meets. Aside from league competition, the team entered three invitational meets. Bob Blanks carried away a third and an eighth place trophy from these invitationals. Louie Marron, with his easy running style, also received a sixth place trophy. Future hopes for cross country are promising with many runners returning for next year's season.

The Wildcat basketball team obtained a new look under the direction of new head coach Gene Lloyd. The team advanced to the C.I.F. semifinals before bowing to a powerful El Dorado team, 74-61. Although falling short of the C.I.F. championship, the 1975 squad became the winningest team in Brea-Olinda history with a season record of 20-8. Leading the Wildcats throughout the year was 6 foot 9 inch center Barry Weston. The senior completed his prep career by breaking nearly all the established offensive records. Barry's 41 points against Valencia broke Harry Dowell's previously set record of 39. Mike Lowe, 6 foot 5 guard, shattered the school record by passing off for 221 assists over the year. Mike also broke the single-game record with 16 in the final game against El Dorado. Steve Mahlstede, a midseason starter, contributed to the Wildcat drive towards the C.I.F. title with his excellent ball handling and quickness. The showing of this year's team can be attributed to the outstanding coaching of Mr. Lloyd, the talents of the squad members, and the support of the entire student body.

January

After a history-making summer with the RESIGNATION OF PRESIDENT NIXON, the first day of school was quite routine. In order to create a comfortable atmosphere for the freshmen girls, Girls League sponsored the BIG/LITTLE SISTER SWIM PARTY. On the other hand, freshmen boys were left to the mercy of the upper classmen. The rest of the student body was welcomed back at the ASB HELLO DANCE. The FOOTBALL TEAM got off to a great start, winning three of its first five games. Dave Donk proved his excellence by matching the school field goal record. SENIORS were forced to realize their new status by having their SENIOR PICTURES taken.

HOMECOMING WEEK was another successful event sponsored by Girls' League. Each day of the week was something fun and different like "The Match Game" during lunch. Carnation Day, the balloon sale and song dedication. The climax of this week of activity came when LISA HASSING was crowned Homecoming Queen. The drama department put on a very professional production of "THE WIZARD OF OZ" with Mary Rosell in the starring role of Dorothy. Coach Lloyd's BASKETBALL TEAM started the season that led to the CIF playoffs.

1975-Seniors thought it would never get here-only five and one half more months!! A few of the members of the class of '75 graduated early but came back to go through commencement with their friends. NEDRA FOX and SAYLOR SMITH were nearing the end of their careers at Brea-Olinda. Students expressed their friendship and how much they would miss them at a special assembly. Future cheerleaders attended a cheerleading clinic sponsored by the pep squad and headed by SANDY RIZZUTTO. DRILL TEAM sold candy to support BASKETBALL which was doing very well with center BARRY WESTON breaking the school scoring record with forty-one points. Our own CINDY PRYOR twirled her way through another national competition, this time winning First Runner-Up in the National World Competition.

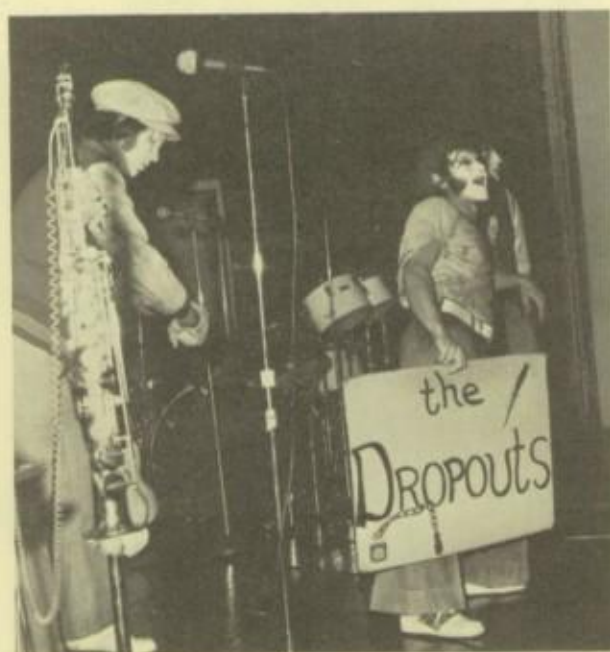

October

The big event in October was the SADIE HAWKINS dance sponsored by GAA. After a week of collecting pennies from fellow freshmen, KATIE WIEGAND and FRANK MUELLER were crowned Daisy May and Lil' Abner. The student body was entertained once again by the very talented group, "HELLO PEOPLE" at an ASB-sponsored assembly. The SOPHOMORES were very industrious and earned money washing cars and selling pickles. The seniors once more asserted their status by going to see government in action in SACRAMENTO.

December

February

Students had the opportunity to display their artistic talents at the ART FAIR. Musical talents were enjoyed by the students and community alike at the "Toys for Tots" and District CHRISTMAS CONCERTS. Girls' League was busy again, this time treating the teachers to a Christmas Tea. BIG and LITTLE SISTERS got together and went ice skating. Many spirited and energetic girls learned routines for DRILL TEAM tryouts. LINDA HANLEY starred as the Sugar Plum Fairy in "The Nutcracker" ballet. Everyone had good times over the long-awaited Christmas vacation.

The whole school gathered to hear the results of the many hours of practice and the final nerve-wracking tryouts for PEP SQUAD. Squeals of delight and tears of disappointment were some evident emotions during the announcement of the winners. Mrs. Kolb directed another outstanding drama production "BUS STOP". DEBBY SMITH and DEAN DEJONG played the starring roles, and the student body was impressed by their talents. EXECUTIVE COUNCIL encouraged support of Bill SB 171 to designate a smoking area on campus. The JUNIORS were given the Sr. math tests with hopes that they would pass. FUTURE FARMERS celebrated FFA week with field days and competitions at the farm. CHRIS HOPKINS was

living up to his "Most Likely to Succeed" title by earning a place in the National Merit finals. KITT MAYFIELD called upon her domestic talents and won the Betty Crocker competition.

March

March was a month of Women's Liberation. The girls got to do the asking this time, and they took full advantage of the situation. Girls' League had the most successful COED ever. Judy Frost and Craig Burnett were crowned coed king and queen to the music of the theme song "Scarborough Fair". The dance was a success, especially with the band "Liberty 4". The Seniors planned a trip to the mountains for their self approved DITCH DAY. The BASKETBALL TEAM finished with a second place in league and as one of the top four teams in CIF. The Juniors got everyone into the Easter spirit by selling Easter eggs. Easter vacation was a welcome change from the hectic pace of school.

April

The POWDER PUFF GAME, originally scheduled to be played in March, had to be postponed until the field had a chance to dry out after the heavy rains. The jr. and sr. girls and their coaches practiced hard for eight weeks prior to the game.

The long hours of practice were evident in the contest. Mr. T. and the choir department put on another entertaining musical-BRIGADOON. Michelle Laizure displayed her beautiful voice singing the title role of Fiona. The year long competition between the juniors and the seniors came to a peak during the Gusher sponsored PAPER DRIVE. HUMANITIES WEEK and the BARD gave everyone the chance to express themselves and their creative talents. Students got involved in the local political scene and elected their own ASB officers.

London, you're a great person, so stay that way!!

May

Girls' League was especially active in May. After a successful year, JANET INSKEEP relinquished her presidency at the MOTHER-DAUGHTER SOCIAL. Girls of the Month were honored and GIRL OF THE YEAR named. Everyone who went to the PROM held at Lion Country Safari had a lovely time amid the lions and elephants. DENISE RIZZUTO and the junior class deserved to be congratulated on a job well done.

London;
This is a great month.
You're a great person.
You're a great person.
Have a great summer.
Love grade 10/11

June

June was a month for SENIORS. Special privileges included the SR. BREAKFAST and a day off from school. BACCALAUREATE was one of the final things the class of '75 sat through together, COMMENCEMENT being the last. The rest of the school was not forgotten and GUSHERS were distributed. After sitting restlessly through GRADUATION speeches, the seniors turned their tassles, sang the Alma Mater, and CHEERED!!!

We Did It!

As we reach the completion of our final deadline... the hectic, tedious, and hysterical moments seem to fade away, and the smiles of accomplishment brilliantly shine through.

 Well it's really been great
 this year! You've really been
 a great friend to me and I

 seemed like I've cared to
 much lately, but I really do,
 I guess I just been on the
 go a lot, I'm sorry. I've seemed
 mean, but I don't mean to
 be. I don't ever want
 to loose your friendship
